"The Brother P-touch Design & Print app is easy to use, and makes creating labels a fun yet useful activity that all the family can enjoy!"

Thomas Rober

The P-touch CUBE is a compact and stylish label printer that seamlessly connects to your family's smartphones and tablets using Bluetooth.

All label editing is done using the P-touch Design&Print app - a free download for iOS and Android that lets you unleash your creativity, and produce labels in many colours and sizes for use all around your home. Choose from over 1000 symbols and emoji, 23 fonts, and 61 frames to include with your text.

The laminated labels it prints are extremely durable, and can safely be used in your fridge/freezer, dishwasher, garden, shed, and all around your home.

P-touch labels are ideal to show the contents of items (food/liquids stored in containers, contents of boxes, archived paperwork etc), or ownership of items (with a name/contact telephone number label). Here are some examples of uses for P-touch labels around the home
