Sleek, modern design with built-in automatic tape cutter, and easy top-load tape design

Includes AC adapter, software, USB cable, carry case and 24mm starter tape

Use as stand-alone labeler or connected to a PC or Mac and use P-touch® Editor software to create elaborate labels

New, built-in Label Collection feature offers more than 50 pre-designed labels – plus Download feature allows access to additional designs – for files, office signage, shipping labels – and more!

Large, 16-character by 3-line graphical display with vivid backlit design for easy viewing

Select from 8 fonts, 10 type styles and 20 frames

Helsinki San Diego Calgary  
Brussels Florida US  
Los Angeles Belgium

Creates durable, laminated labels in a variety of colors. Prints big, bold labels up to 24mm wide!

Labels shown are illustrative only. Actual output (such as font and margins) varies.

## Additional Features

- Text Reminder feature recalls frequently printed words – making label creation quick and easy
- Capable of printing up to 7 lines of text on a label
- Save and print up to 99 of your favorite labels
- Create and print bar codes
- Download feature allows access to additional label designs. (Download to machine available for Windows only)

Standard TZ laminated tapes\* offer a wide variety of colors and sizes for general labeling needs. For more challenging applications, a number of specialty tapes are also available.
