PT-E100VP
Handheld labelling machine

Labels are never more powerful than when they concern safety - which is where the new PT-E100VP handheld label printer comes into its own.

Specifically designed for electricians and installers, the PT-E100VP simplifies a whole range of on-site jobs. There are new cable modes including cable flag, cable wrap and face plate, plus 168 built-in symbols.

The PT-E100VP not only doubles the speed of the previous model (PT-7100VP) - **It's also the fastest on the market**.

There really is nothing else to beat it.

TOP FEATURES:

- Saves time, printing up to 20mm per second
- Durable labels up to 12mm, able to handle extreme conditions
- Convenient built-in cutter
- Easy-to-read graphical LCD screen
