

HP PSC 1350 all-in-one printer/scanner/copier

The HP PSC 1350 combines advanced photo printing features – including direct printing from memory cards and the HP Photo Proof Sheet – with easy scanning and copying tools, and packs them all into one ultra-compact device.

The HP PSC 1350 all-in-one is designed for families and other home users who need the ability to produce brilliant quality photos, direct from memory cards when required, but also want the flexibility and convenience provided by advanced scanning and copying tools. Cost-conscious and keen to make very best use of available desk space, they will appreciate the many qualities of this ultra-compact and highly affordable all-in-one.

Impressive photo quality printing and copying for true-to-life images.

- Up to 4800-optimised dpi* colour printing on HP Premium Photo Paper.
- Optional 6-ink colour printing and HP Photoret IV** precision technology for virtually grain-free images.
- Fast printing at up to 17 ppm in black and up to 12 ppm in colour.
- Borderless 10 x 15 cm printing.***
- HP dye-based inks for longer-lasting colour photos; pigment-based black ink for razor-sharp text.

Print photos directly from memory cards with HP Photo Proof Sheet – no computer needed.

- Print proof sheet of thumbnails from memory card using HP Photo Proof Sheet system.
- Select photos and print options including size, photo album pages and more.
- Simply scan proof sheet to automatically print final photos.
- Print photo quality images from CompactFlash™ I/II, IBM® MicroDrive, SmartMedia, SecureDigital™/MultiMedia/Secure MultiMedia, xD, Sony MemoryStick® digital camera memory cards.
- Colour copying at up to 12 ppm, black & white copies at up to 17 ppm.

Versatile scanning tools and features help you achieve even more.

- Fast and easy 36-bit colour scanning at up to 600 x 2400 dpi optical resolution.
- Up to 19,200 dpi enhanced (depending on computer memory, disk space and other system factors).
- Clean, crisp images with vivid, true-to-life colours – photo quality scanning for reprints or retouching.
- Capture, store, edit and share photos using HP Photo & Imaging software.

* Up to 4800 x 1200-optimised dpi colour and 1200-input dpi

** 6-ink colour printing available with purchase of photo cartridge (not included, sold separately)

*** Using 10 x 15 cm HP Premium Plus Photo Paper
