Simply delivers stunning and green-inspired
performance to your office with easy Eco button

Samsung Monochrome Laser Multifunction Printer
SCX-4726FN

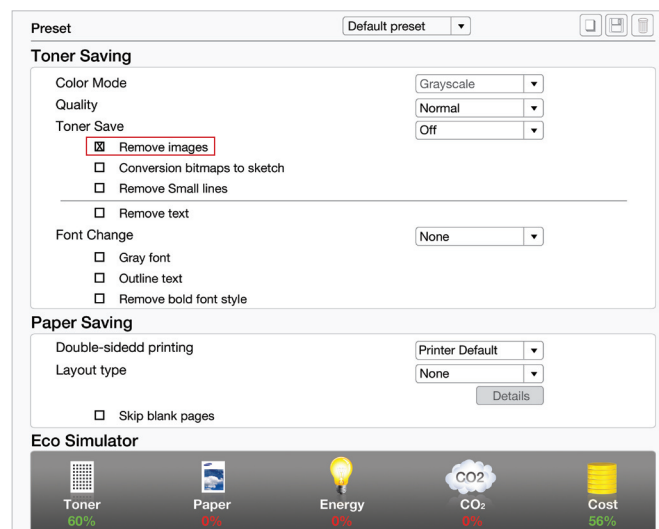

Upgrade to quieter and more efficient printing

- Discover enhanced printing with the simple and multifunctional

The perfect balance

Samsung's efforts to embrace a greener future is evident with the new One Touch Eco Button. This feature basically takes the thinking out of being eco-friendly. It automatically adjusts the printer settings to deliver the most environmentally friendly printing. It ensures that waste is minimal while still producing professional results. This can save up to 75% on paper usage, 50% on energy and 89% on carbon emissions.

The Samsung Easy Eco Driver enables you to quickly edit your documents, such as removing bold type fonts, unnecessary images or text to save toner. The unique Result Simulator feature within the printer driver also enables you to see how much you can save. Depending on the settings you select, the Result Simulator estimates what percentage of CO₂, electricity and paper you can save. For example, with the default Eco Print mode selected you could save up to 89% CO₂, 50% energy and 75% paper usage when compared to normal usage. So you can be sure to make the most Eco-and pocket-friendly choice every time.

Functional and versatile

Delivering 4 in 1 versatility, the SCX-4726FN is the ideal business multifunction device. At a basic level it offers fast print and copy speeds up to 26ppm (A4), plus fax and scanning functions. Delve a little deeper and you'll discover that the SCX-4726FN is packed full of useful functionality:

• Copy

Alongside fast speeds, copy features include: **ID Copy** which allows copying of both sides of an ID card or other small document onto a single sheet without alignment issues or having to feed the paper back into the printer; **N-up** copy, which prints multiple copied sheets per page; **Clone** and **Poster** copy.

• Scan

Useful scan features available on the SCX-4726FN include: **Network Scan**, where scanned files can be saved to the network and **Colour Scan**.

• Fax

As well as offering standard **33.6Kbps fax** capabilities, the SCX-4726FN offers: **PC Fax**, which enables you to save time and paper by sending a fax directly from your PC; while the **Fax to PC** support allows received fax data to be delivered straight to your PC via local connection or the office network.

Compact, smooth and stylish, – the Samsung monochrome laser multifunction printer

Pleasant working environment

Small and stylish, the SCX-4726FN is the perfect multifunction device for the small office environment. Offering quiet printing at just 50dBA, you can rest assured that it won't disrupt your working day, while the compact design ensures it will look at home on any desk. Its convenient design ensures that the small footprint is all the space you'll need. The simple, smooth lines, built-in cassette tray and new user-friendly tiltable operation panel all help to fully optimise the users' working environment.

Wireless connectivity

For users who use multiple mobile devices, like smartphones or Tablet PCs the SCX-4726FN model delivers the ultimate flexibility. Saving time and hassle, Samsung Mobile Printing* enables you to connect your mobile devices to your SCX-4726FN. There's no need to install a new driver or configure network settings, simply download the Samsung Mobile Printing application from the Samsung Web store, and once downloaded it will automatically detect compatible Samsung multifunctional printers. Giving you the flexibility to print files directly from your mobile device, without having to connect through a PC.

* To enable Samsung Mobileprint, wireless router is required.

Functional software

Samsung Easy Printer Manager enables you to manage all of your Samsung device settings, status monitoring, supplies ordering, scanning and faxing in one convenient, easy-to-use location. You can also utilise advanced functions such as job accounting, event logs and alert settings – providing a single interface to all your Samsung printing device setting and applications.

The **Samsung Universal Print Driver** enables you to print to any Samsung device without having to install a driver for every networked printer. It is also compatible with any printer or multi-function printer (MFP) that utilises PCL6 or PostScript languages, meaning a wide range of devices from different manufacturers can be accessed on the single driver.

Another useful feature is **Samsung's AnyWeb 2.0 Print** software. It allows you to select, drag and drop content from different web pages into a single scrap board, without the need to resize or edit. The pages you create can be saved as tiff files or PDFs, and printed using the Print Screen button or your normal print menu – enabling you to quickly and easily print what you see.

Specifications

SCX-4726FN

Print	
Speed (Mono)	Up to 26 ppm in A4 (27 ppm in Letter)
Resolution	Up to 1,200 x 1,200 dpi Effective Output
First Print Out Time (Mono)	Less than 8.5 sec (From Ready Mode)
Emulation	PCL6 / PCL5e / SPL
Duplex	Manual
Copy	
Speed (Mono)	Up to 26 cpm in A4 (27 cpm in Letter)
First Copy Out Time (Mono)	Less than 15 sec (ADF) / Less than 14 sec (Platen)
