

# WorkForce DS-860N

## DATASHEET

The WorkForce DS-860N with Network Interface Unit is our fastest double-sided A4 sheet-fed scanner.

With its fast data processing features, it is ideal for easy document workflow. Document Capture Pro allows multiple users to benefit from Push Scan features and the Network Interface Unit means this model is ideal for sharing across office/department networks in government, banks and healthcare establishments.

### Performance and productivity

This scanner features a compact footprint and high speed scanning of up to 65ppm / 130ipm, even at 300dpi in colour. This, combined with hardware JPEG compression, makes large scan jobs faster to process. Its ReadyScan technology certifies mercury-free products and guarantees no warm-up time before scanning.

### Seamless integration into document management and cloud systems

Epson Document Capture Pro makes it easy to integrate this business scanner into your document management system, speeding up workflow and enabling you to capture, convert and distribute scanned information into your document filing system. In addition, barcode recognition and Zonal OCR help automate large document processes. It can also Push Scan from the device, via network or USB, which helps to increase office productivity.

### Scan software included

Epson Scan offers a wide selection of advanced document imaging features, such as text enhancement and automatic de-skew, which help improve efficiency and increase workload output. It also scans to .docx, .xlsx and .pptx.

### Easy network sharing via Ethernet

Combined with Document Capture Pro, the Network Interface Unit allows you to customise 'scan to' job commands, such as 'scan-to-email', 'scan-to-Microsoft SharePoint™' or 'Scan-to-Cloud', among others, directly from the scanner's panel.

## KEY FEATURES

- **Easy network sharing via Ethernet**  
Combined with Document Capture Pro, the Network Interface Unit lets you customise 'scan to' job commands
- **Epson Push Scan**  
Text enhancement and automatic de-skew help improve efficiency
- **Fast scanning speeds**  
High-speed scanning of up to 65ppm / 130ipm, even at 300dpi in colour.
- **Seamless integration into document management and cloud systems**  
Document Capture Pro
- **Wide range of driver support**  
WIA, TWAIN and ISIS

## PRODUCT SPECIFICATIONS

### TECHNOLOGY

Scanner type	Sheetfed Scanner
Scanning Resolution	600 dpi x 600 dpi (Horizontal x Vertical)
ADF Minimum Document Size	52 mm x 50.8 mm (Horizontal x Vertical)
ADF Maximum Document Size	216 mm x 3,048 mm (Horizontal x Vertical)
Paper Formats	A3 with stitching function, A4, A6, B5, B6, Letter, Postcard, Plastic cards, Legal
Colour Depth	Input: 48 Bits Colour / 16 Bits Monochrome , Output: 24 Bits Colour / 8 Bits Monochrome
Ultrasonic Sensor	Yes

### SCANNER

Light Source	ReadyScan LED technology
--------------	--------------------------

### SCAN SPEED

Scanning Speed	Monochrome: 65 pages/min - Colour: 65 pages/min , resolution: 200 / 300 dpi, Monochrome: 130 image/min - Colour: 130 image/min matuota nauđojant size: A4 , resolution: 200 / 300 dpi
----------------	---

### PAPER / MEDIA HANDLING

ADF Paper Setting Capacity	80 Sheets
Reliability Daily Duty Cycle	6,000 pages
Duplex Scan	Yes

### SCANNING FEATURES

Features	Standalone operation, RGB colour dropout / enhance, Skip blank page, A3 stitching (without carrier sheet), Punch holes removal, Pre-defined scanning settings, Automatic area segmentation, Automatic de-skew, Dual Image Output (Windows only), Auto-rotation, Text enhancement, Edge enhancement, Unsharp Mask (USM), Descreening, Barcode Recognition, Zonal OCR A & B support, Manual / Automatic Job Separation, Scan to Cloud Storage
Output formats	BMP, JPEG, TIFF, multi-TIFF, PDF, searchable PDF, secure PDF, PDF/A
File compression features	Hardware JPEG compression, PDF Compression

### CONNECTIVITY

Interfaces	Ethernet interface (100 Base-TX / 10 Base-T), Gigabit ethernet interface
Network Interface Panel / Unit	Built-in
Ethernet settings	10BASE-T / 100BASE-TX / 1000BASE-T / Full-duplex / Half-duplex
Panel type	5-line LCD with Push Scan features

### OTHER

Warranty	12 months On-site service Optional warranty extension available
----------	--

## LOGISTICS INFORMATION

SKU	B11B222401BT B11B222401BU
EAN code	8715946541624
Dimensions Single Carton	250 x 400 x 290 mm
Carton Weight	38.2 Kg
Multiple Order Quantity	1 Units
Pallet Size Euro	32 Units (8 x 4)
